

MISSIONS MINISTRY

The Mission Ministry was established to reflect the Church's mission; to be a beacon of light in the lives of people by taking the Good News of Jesus Christ wherever they are.

Springfield Missionary Baptist Church (SMBC) has been actively involved in spreading the Good News of the Gospel, not only at home, but also abroad. For a little more than fifty years, SMBC supported missionaries in Liberia, West Africa, through Carver International Missions, (CIM) formerly known as Carver Foreign Missions. Presently, SMBC, through the Mission ministry, maintains a relationship with CIM, supports home-based Mission activities and projects as well as hosts an annual Mission Conference.
