

CHRISTIAN EDUCATION

It is the mission of the Christian Ed. department in our local church (Springfield Baptist Church) to provide the necessary training to all who are a part of this local body through the means of Bible study, Discovery hour, New Members Awareness class, and Vacation Bible school; to convey to them pertinent truths, according to the scripture, concerning their Christian walk. It is also our mission to help one establish that Christianity is a life changing experience and a new way of life.
